

**National Schools Inspectorate Authority**  
Enforcing Standards, Ensuring Quality

## **MESSAGE FROM THE INSPECTOR GENERAL OF SCHOOLS**

As we celebrate Christmas and prepare to usher in the New Year, I extend warm greetings to all staff of the National Schools Inspectorate Authority (NaSIA) and our cherished stakeholders.

I sincerely commend Management, Inspectors, and support staff for your dedication, professionalism, and resilience throughout the year. Your commitment to quality assurance has contributed significantly to improving teaching and learning outcomes in schools across the country. I also express my gratitude to our sister-agencies, stakeholders, development partners, proprietors, school heads, teachers and parents for your cooperation and continued support in advancing our shared educational goals.

The Christmas season reminds us of the values of love, peace, service, and unity. As we reflect on the year, let us recommit ourselves to integrity, teamwork, and excellence in the discharge of our duties. The coming year presents renewed opportunities to strengthen collaboration, enhance inspection processes, and further promote accountability and high standards within our pre-tertiary school system.

I encourage all staff to use this festive period to rest, reflect, and reconnect with family and loved ones. Let us enter the New Year with renewed energy, focus, and determination to advance the mandate of NaSIA for the benefit of all learners nationwide.

On behalf of Management, I wish you a Merry Christmas and a peaceful, prosperous, and fulfilling New Year.

**Prof. Tahiru Salifu Azeko**  
**Inspector General Of Schools, NaSIA.**

MERRY  
*Christmas*
